PLACING OF CONVERTIBLE BONDS UNDER SPECIFIC MANDATE

On 12th January 2017 (after trading hours), the Placing Agent and the Company entered into the Placing Agreement pursuant to which the Placing Agent has conditionally agreed to procure, on a best efforts basis, Placee(s) to subscribe for the Convertible Bonds in an aggregate principal amount of up to HK\$350,000,000 at the initial Conversion Price of HK\$1.20.

Assuming the Convertible Bonds are fully placed, upon full conversion of the Convertible Bonds at the Conversion Price without adjustment, a maximum of 291,666,666 Conversion Shares will be issued. Therefore, assuming the Convertible Bonds are fully placed and the conversion rights of all the Convertible Bonds are exercised, the net price for the Placing is approximately HK\$1.186 per Conversion Share.

The net proceeds from the Placing are intended to be applied in the following manner:

- (i) approximately 90% for financing the Acquisition. As the consummation of the Acquisition is subject to the fulfilment of certain conditions (the details of which are set out in the announcement of the Company dated 19th December 2016), in the event that completion of the Acquisition does not take place, such portion of the net proceeds may be applied to financing future acquisition that the Company may conduct. As at the date of this announcement, the Company has not identified any specific target for such acquisition and the Company will closely monitor the potential development of the business of the Group and the market; and
- (ii) approximately 10% as general working capital of the Group.

The Placing is conditional upon, inter alia, the Listing Committee granting or agreeing to grant (subject to allotment) and not having withdrawn or revoked the approval of listing of and permission to deal in all the Conversion Shares which may fall to be allotted and issued upon the exercise of the conversion right attaching to the Convertible Bonds; the Increase in Authorised Share Capital; and the Shareholders having passed an ordinary resolution at the SGM approving the Placing Agreement and the transactions contemplated hereunder, including the issue of the Convertible Bonds and the allotment and issue of the Conversion Shares, in compliance with the requirements of the Listing Rules.

PROPOSED INCREASE IN AUTHORISED SHARE CAPITAL

The Board proposes to increase the authorised share capital of the Company from HK\$60,000,000 divided into 600,000,000 Shares to HK\$100,000,000 divided into 1,000,000,000 Shares by the creation of an additional 400,000,000 Shares, which shall rank pari passu with all other Shares in issue as at the date on which the conversion rights to be attached to the Convertible Bonds are exercised and be entitled to all dividends, bonus and other distributions on the record date of which falls on a date on or after such conversion date. The Increase in Authorised Share Capital is conditional upon the passing of an ordinary resolution at the SGM by the Shareholders to consider and, if thought fit, approve the Increase in Authorised Share Capital.

GENERAL

The Conversion Shares will be issued under the Specific Mandate to be sought at the SGM. Applications will be made by the Company to the Listing Committee of the Stock Exchange for the grant of the listing of, and permission to deal in, the Conversion Shares.

The SGM will be convened and held for the purpose of considering and, if thought fit, approving, inter alia, the Placing Agreement and the transactions contemplated thereunder, the grant of the Specific Mandate and the Increase in Authorised Share Capital.

LISTING RULE IMPLICATIONS

A circular containing, among other things, further details of the Placing Agreement, the Specific Mandate, the Increase in Authorised Share Capital and the notice of SGM will be despatched to the Shareholders as soon as possible.

Completion of the Placing is subject to the satisfaction of the conditions precedent set out in the Placing Agreement. As the Placing may or may not proceed, Shareholders and potential investors are advised to exercise caution when dealing in the Shares.

Interest rate:	Zero
Conversion period:	The period commencing from the 90th day after the date of issue of the Convertible Bonds and ending on the 5th Business Day prior to the Maturity Date.
Conversion price:	The initial Conversion Price of HK\$1.20 per Conversion Share represents: <ul style="list-style-type: none">(a) a discount of approximately 36.84% to the closing price of HK\$1.900 per Share as quoted on Stock Exchange on the date of this announcement;

- (b) a discount of approximately 25.93% to the average closing prices of HK\$1.620 per Share for the last five consecutive trading days as quoted on the Stock Exchange up to and including the date of this announcement;
- (c) a discount of approximately 14.00% to the average closing prices of HK\$1.395 per Share for the last 30 consecutive trading days as quoted on the Stock Exchange up to and including the date of this announcement; and
- (d) a discount of approximately 9.62% to the average closing prices of HK\$1.328 per Share for the last 60 consecutive trading days as quoted on the Stock Exchange up to and including the date of this announcement.

The initial Conversion Price and the other terms of the Convertible Bonds were determined after arm's length negotiations between the Company and the Placing Agent with reference to the market price and the trading volume of the Shares, internal rate of return of the Bonds and the prevailing marketing conditions.

Conversion Shares:

Assuming the Convertible Bonds are fully placed, a maximum of 291,666,666 Conversion Shares will be issued, representing approximately 83.1% of the existing issued share capital of the Company as at the date of this announcement and approximately 45.4% and 35.7% of the Company's then issued share capital as enlarged by the issue of the Conversion Shares (before and after the completion of the Rights Issue respectively, assuming no outstanding share option will be exercised on or before the record date for determination of entitlement to the Rights Issue).

Conversion rights:

Any conversion shall be made in amounts of not less than a whole multiple of HK\$10,000,000 on each conversion unless the amount of the outstanding Convertible Bonds is less than HK\$10,000,000 in which case the whole (but not part only) of that amount shall be convertible.

Conversion restriction:

If the issue of Conversion Shares following the exercise by a Bondholder of the Conversion Rights relating to any of the Bonds held by such Bondholder would result in:

- (a) such Bondholder and parties acting in concert with it (within the meaning of the Takeovers Code), taken together, directly or indirectly controlling or being interested in 30% or more of the entire issued voting share capital of the Company (or such other percentage as may from time to time be specified in the Takeovers Code as being the level of triggering a mandatory general offer) as at the date of conversion and a mandatory general offer obligation will be triggered under the Takeovers Code; or
- (b) the Company not meeting the requirement under the Listing Rules that not less than 25% (or such other percentage as may from time to time be specified in the Listing Rules) of the Shares shall be held by the public immediately after the conversion (the “**Public Float Requirement**”);

then the number of Conversion Shares to be issued (the “**First Batch Conversion Shares**”) pursuant to such conversion shall be limited to the maximum number of Shares issuable by the Company which would not in the reasonable opinion of the Company result in a mandatory general offer being triggered under the Takeovers Code or the Public Float Requirement not being satisfied (as the case may be). The balance of the conversion rights attached to the Conversion Bonds which the Bondholder sought to convert (the “**Suspended Balance of Conversion Rights**”) shall be suspended until such time when the Company is able to issue additional Shares in satisfaction of the exercise of the Suspended Balance of Conversion Rights and at the same time without triggering a mandatory general offer under the Takeovers Code or comply with the Public Float Requirement (as the case may be).

In the event that the issue of Conversion Shares following the exercise by a Bondholder of the conversion rights results in the Company not being able to satisfy the Public Float Requirement, the Company undertakes to the Bondholder that it shall use its reasonable endeavours to increase and maintain a sufficient level of Shares held by the public so as to facilitate such Bondholder's exercise of the Conversion Rights attached to the Convertible Bonds which the Bondholder sought to convert as soon as possible.

In the event that the Suspended Balance of Conversion Rights remains to be suspended for a period of 6 months from the date of issue of the First Batch Conversion Shares, the Bondholder shall have the right to require the Company to redeem the outstanding Convertible Bonds which has not been converted at any time before the Maturity Date at its principal amount outstanding plus 6% internal rate of return per annum.

Redemption at maturity: Unless previously purchased or converted for Conversion Shares, the Company shall on the Maturity redeem the outstanding principal amount of the Convertible Bonds together with the agreed return of 3% internal rate of return per annum.

Early redemption: Save for the occurrence of any event of default as set out under the terms and conditions of the Convertible Bonds, the Bondholder shall not be entitled to demand for early repayment of the Convertible Bonds (in whole or in part) commencing from the date of issue of the Convertible Bond to the Maturity Date.

In the event that completion of the Acquisition takes place and subject to the obtaining of the prior written consent of the Bondholder, the Company may redeem any outstanding principal amount of the Convertible Bonds which has not been converted in accordance with the terms and conditions of the Convertible Bond before the Maturity Date in units of HK\$10,000,000 at its principal amount outstanding plus 6% internal rate of return per annum.

In the event that completion of the Acquisition does not take place in accordance with its terms, the Company shall have the right to redeem and the Bondholder shall have the right to require redemption of the Convertible Bonds outstanding before the Maturity Date at its principal amount outstanding plus 6% internal rate of return per annum.

Transfer restrictions on the Convertible Bonds and the Conversion Shares:

Save and except for any transfer of the Convertible Bonds to transferee(s) who is/are an affiliate of the transferring Bondholder (in which case the Bondholder shall give prior notice to the Company), any transfer of the Convertible Bonds will be subject to the prior written consent of the Company (which the Company shall not unreasonably withhold or delay).

The Bondholder shall, on a best efforts basis, give notice to the Company prior to any proposed transfer of the Conversion Shares, provided that the Bondholder is not subject to any confidentiality or non-disclosure undertakings or disclosure would not be in breach of any applicable laws, rules or regulations or the requirements of any governmental/regulatory authority.

Adjustments to the Conversion Price:

- (a) consolidation, subdivision or reclassification of the Shares;
- (b) capitalisation of profits or reserves (other than in lieu of a cash dividend);

- (f) issue wholly for cash any Shares at a price which is less than 80% of the Market Price at the date of announcement of the terms of issue such issue; and
- (g) issue of Shares for acquisition of asset at an effective price per Share which is less than 80% of the Market Price of the Shares at the date of announcement of the terms of such issue.

Events of default:

If any of the following events occurs, the Bondholder may give notice to the Company that the Convertible Bonds are, and it shall on the giving of such notice immediately become, due and payable at its principal amount together with any accrued returns and interest (including default interest payable) calculated up to and including the date of actual repayment:

- (a) the Company fails to pay the principal when due or the Company fails to pay returns or interest on the Bonds when due unless non-payment of such returns or interest is due solely to administrative or technical error and payment is made within seven business days of the due date thereof;

REASONS FOR THE PLACING AND USE OF PROCEEDS

Reference is made to the announcement of the Company dated 19th December 2016 in relation to, among other matters, the Acquisition, where it was indicated that the Company was evaluating different options of financing the Acquisition, which would be a combination of the Group's internal resources, loan facilities by commercial banks and possible equity financing activities. The Placing is therefore, among other matters, to procure funding for financing the Acquisition as set out below.

Assuming the Convertible Bonds are fully placed by the Placing Agent and based on the estimated expenses of the Placing, the gross and net proceeds from the Placing are estimated to be HK\$350,000,000 and approximately HK\$345,968,000, respectively. Therefore, assuming the Convertible Bonds are fully placed and the conversion rights of all the Convertible Bonds are exercised, the net price for the Placing is approximately HK\$1.186 per Conversion Share.

The net proceeds from the Placing are intended to be applied in the following manner:

- (i) approximately 90% for financing the Acquisition. As the consummation of the Acquisition is subject to the fulfilment of certain conditions (the details of which are set out in the announcement of the Company dated 19th December 2016), in the event that completion of the Acquisition does not take place, such portion of the net proceeds may be applied to financing future acquisition that the Company may conduct. As at the date of this announcement, the Company has not identified any specific target for such acquisition and the Company will closely monitor the potential development of the business of the Group and the market; and
- (ii) approximately 10% as general working capital of the Group.

The Directors (including independent non-executive Directors) consider that the terms of the Placing Agreement are on normal commercial terms, fair and reasonable and in the interests of the Company and Shareholders as a whole.

SGM

The SGM will be convened and held for the purpose of considering and, if thought fit, approving, inter alia, the Placing Agreement and the transactions contemplated thereunder, the grant of the Specific Mandate and the Increase in Authorised Share Capital.

To the best knowledge of the Directors, none of the Shareholders has a material interest in the transactions contemplated under the Placing Agreement as at the date of this announcement. Accordingly, none of the Shareholders will be required to abstain from voting at the SGM in respect of the relevant resolution relating to the Placing.

FUND RAISING ACTIVITIES IN THE PAST TWELVE MONTHS

Save for the Rights Issue, the details of which are set out below, the Company did not conduct any fund raising exercise by way of issue of equity securities in the past 12 months immediately preceding and including the date of this announcement.

Date of announcement	Event	Net proceeds (approximate)	Intended use of proceeds as announced	Actual use of proceeds

PROPOSED INCREASE IN AUTHORISED SHARE CAPITAL

The existing authorised share capital of the Company is HK\$60,000,000 divided into 600,000,000 Shares, of which 350,788,900 Shares are in issue. For the purpose of the Placing and in order to provide the Company with greater flexibility for future development, the Board proposes to increase the authorised share capital of the Company to HK\$100,000,000 divided into 1,000,000,000 Shares by the creation of an additional 400,000,000 Shares (the “**Increase in Authorised Share Capital**”). Such new Shares, upon issue, shall rank pari passu in all respects with the existing Shares.

The Increase in Authorised Share Capital is subject to the approval of the Shareholders by way of passing an ordinary resolution at the SGM.

GENERAL

The Conversion Shares will be issued under the Specific Mandate to be sought at the SGM.
