LETTER FROM THE BOARD

Qualifying Shareholders

To qualify for the Rights Issue, the Shareholders must be registered as members of the Company on the Record Date and not be a Non-Qualifying Shareholder.

Qualifying Shareholders who take up their pro rata entitlements in full under the Rights Issue will not suffer any dilution to their interests in the Company. If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company will be diluted.

Basis of provisional allotments

The basis of the provisional allotment shall be one (1) Rights Share (in nil-paid form) for every two (2) existing Shares in issue held by the Qualifying Shareholders on the Record Date.

Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by completing a PAL and lodging the same with a cheque or a banker's cashier order for the sum payable for the Rights Shares being applied for with the Registrar on or before the Latest Acceptance Time.

Rights of Overseas Shareholder

The Rights Issue Documents are not intended to be registered or filed under the applicable securities legislation of any jurisdiction other than Hong Kong.

Based on the register of members of the Company, there was one Overseas Shareholder with a registered address in the United Kingdom who held 2,200 Shares on the Record Date. The Directors, having made reasonable enquiries as to the legal requirements regarding the feasibility of extending the Rights Issue to the Overseas Shareholder in the United Kingdom, are of the view that it is neither necessary nor expedient not to extend the Rights Issue to the Overseas Shareholder located in United Kingdom and accordingly, such Overseas Shareholder will be a Qualifying Shareholder and there will not be any Non-Qualifying Shareholder.

LETTER FROM THE BOARD

No action has been taken to permit the offering of the Rights Shares, or the distribution of this prospectus or any of the PAL or EAF, in any territory or jurisdiction outside Hong Kong. No person receiving a copy of this prospectus and/or the PAL and the EAF in any territory or jurisdiction outside Hong Kong may treat it as an offer or an invitation to apply for the Rights Shares or the excess Rights Shares, unless in the relevant jurisdiction such an offer or invitation could lawfully be made without compliance with any registration or other legal or regulatory requirements. It is the responsibility of any person (including but without limitation to nominee, agent and trustee) receiving a copy of this prospectus or any of the PAL or EAF outside Hong Kong (including the ultimate beneficial owner(s) of the Qualifying Shareholders) and wishing to take up the Rights Shares or make an application for the excess Rights Shares to satisfy himself/herself/itself as to the observance of the laws and regulations of all relevant jurisdiction, including obtaining any government or other consents for observing any other formalities which may be required in such territory or jurisdiction, and to pay any taxes, duties and other amounts required to be paid in such territory or jurisdiction in connection therewith. The Company will not be responsible for verifying the legal qualification of any such resident in such territory or jurisdiction, thus, should the Company suffer any losses or damages due to non-compliance with the relevant laws of such territory or jurisdiction by any such resident, the resident shall be responsible to compensate the Company for the same. The Company shall not be obliged to issue the nil-paid Rights Shares or fully-paid Rights Shares to any such resident, if at the Company's absolute discretion issuing the nil-paid Rights Shares or fully-paid Rights Shares to them does not comply with the relevant laws of such territory or jurisdiction. Any acceptance by any person will be deemed to constitute a representation and warranty from such person to the Company that these local laws and requirements have been complied with. For the avoidance of doubt, neither HKSCC nor HKSCC Nominees Limited has given, or be subject to, any of the above representation or warranty. If you are in any doubt as to your position, you should consult your professional advisers.

LETTER FROM THE BOARD

Subscription Price

The Subscription Price for the Rights Shares is HK\$1.10 per Rights Share, payable in full by a Qualifying Shareholder upon acceptance of the relevant provisional allotment under the Rights Issue or application for excess Rights Shares or when a transferee of nil-paid Rights Shares subscribes for the Rights Shares.

The Subscription Price represents:

- (a) a discount of approximately 42.11% to the closing price of HK\$1.900 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (b) a discount of approximately 32.65% to the theoretical ex-rights price of approximately HK\$1.633 per Share based on the closing price as quoted on the Stock Exchange on the Last Trading Day;
- (c) a discount of approximately 32.10% to the average closing price of approximately HK\$1.620 per Share for the five consecutive trading days as quoted on the Stock Exchange up to and including the Last Trading Day;
- (d) a discount of approximately 21.17% to the average closing price of approximately HK\$1.395 per Share for the 30 consecutive trading days as quoted on the Stock Exchange up to and including the Last Trading Day;
- (e) a discount of approximately 17.15% to the average closing price of approximately HK\$1.328 per Share for the 60 consecutive trading days as quoted on the Stock Exchange up to and including the Last Trading Day; and
- (f) a discount of approximately 17.29% to the closing price of HK\$1.330 per Share as quoted on the Stock Exchange on the Latest Practicable Date.

The Subscription Price was determined by Directors with reference to the amount of fund raising targeted by the Company and market prices of Shares under prevailing market conditions. In order to enhance the attractiveness of the Rights Issue, issuance of new shares by way of rights issue at a discount to the market price has been commonly adopted by listed issuers in Hong Kong. The Directors consider that, in order to enhance the attractiveness of the Rights Issue, the discount on the Subscription Price to the current market price of the Shares as proposed is appropriate. Each Qualifying Shareholder is entitled to subscribe for the Rights Shares at the same price in proportion to his/her/its shareholding in the Company held on the Record Date.

Qualifying Shareholders who do not take up the Rights Shares to which they are entitled should note that their shareholdings in the Company will be diluted upon completion of the Rights Issue. The possible maximum dilution to shareholdings of those Qualifying Shareholders who do not subscribe to the Rights Issue is approximately 33.33%.

LETTER FROM THE BOARD

The Directors consider that, despite the potential dilution impact of the Rights Issue on the shareholding interests of the Shareholders, the terms and structure of the Rights Issue are fair and reasonable and in the interests of the Company and the Shareholders as a whole, after taking into account the following factors: (i) the Qualifying Shareholders who do not wish to take up their provisional entitlements under the Rights Issue are able to sell the nil-paid rights in the market, while the Qualifying Shareholders who wish to increase their shareholding in the Company through the Rights Issue are able to acquire additional nil-paid rights in the market and/or through an EAF; (ii) the Qualifying Shareholders who choose to accept their provisional entitlements in full can maintain their respective existing shareholding interests in the Company after the Rights Issue; and (iii) the Rights Issue gives the Qualifying Shareholders an opportunity to subscribe for their pro-rata Rights Shares for the purpose of maintaining their respective existing shareholding interests in the Company at a relatively low price as compared to the historical market price of the Shares.

The net price per Rights Share (i.e. Subscription Price less costs and expenses incurred in the Rights Issue) upon full acceptance of the relevant provisional allotment of Rights Shares will be approximately HK\$1.079.

Status of the Rights Shares

The Rights Shares, when allotted, issued and fully-paid, will rank *pari passu* with the then existing Shares in issue on the date of allotment of the Rights Shares in fully-paid form. Holders of such Rights Shares will be entitled to receive all future dividends and distributions which are declared after the date of allotment and issue of the Rights Shares.

Fractions of the Rights Shares

The Company will not provisionally allot fractions of Rights Shares in nil-paid form. All fractions of Rights Shares will be aggregated and all nil-paid Rights Shares arising from such aggregation will be sold in the market and, if a premium (net of expenses) can be achieved, the Company will keep the net proceeds for its own benefit. Any unsold fractions of Rights Shares will be made available for excess application.

Procedures for acceptance and payment or transfer

Qualifying Shareholders will find enclosed with this prospectus a PAL which entitles them to subscribe for the number of Rights Shares shown therein. If the Qualifying Shareholders wish to accept all the Rights Shares provisionally allotted to them as specified in the PAL, they must lodge the PAL in accordance with the instructions printed thereon, together with a remittance for the full amount payable on acceptance, with the Registrar at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong by no later than 4:00 p.m. on Friday, 17th February 2017. All remittances must be made in Hong Kong dollars. Cheques must be drawn on an account with, or cashier's orders must be issued by, a licensed bank in Hong Kong and made payable to "**Automated Systems Holdings Limited – Provisional Allotment Account**" and crossed "**Account Payee Only**".

LETTER FROM THE BOARD

It should be noted that unless the duly completed PAL, together with the appropriate remittance, has been lodged with the Registrar by 4:00 p.m. on Friday, 17th February 2017, whether by the original allottee or any person to whom the rights have been validly transferred, the relevant provisional allotment and all rights and entitlements thereunder will be deemed to have been declined and will be cancelled and such Rights Shares will be available for application under the EAFs by the Qualifying Shareholders. The Company may, at its sole discretion, treat a PAL as valid and binding on the person(s) by whom or on whose behalf it is lodged even if the PAL is not completed in accordance with the relevant instructions.

If the Qualifying Shareholders wish to accept only part of their provisional allotment and/or to transfer part of their rights to subscribe for the Rights Shares provisionally allotted to them under the PAL or to transfer their rights to more than one person, the original PAL must be surrendered and lodged for cancellation by no later than 4:30 p.m. on Thursday, 9th February 2017 to the Registrar who will cancel the original PAL and issue new PALs in the denominations required, which will be available for collection at the Registrar after 9:00 a.m. on the second Business Day after the surrender of the original PAL.

The PAL contains further information regarding the procedures to be followed for acceptance and/or transfer of the whole or part of the provisional allotment of the Rights Shares by the Qualifying Shareholders. All cheques and cashier's orders accompanying completed PALs will be presented for payment immediately upon receipt and all interest earned on such monies will be retained for the benefit of the Company. Completion and return of the PAL will constitute a warranty and representation to the Company that all registration, legal and regulatory requirements of all relevant jurisdictions other than Hong Kong in connection with the PAL and any acceptance of it, have been, or will be, duly complied with. For the avoidance of doubt, neither HKSCC nor HKSCC Nominees Limited has given, or be subject to, any of the above representation or warranty. Completion and return of the PAL with a cheque or a cashier's order, whether by a Qualifying Shareholder or by any nominated transferee, will constitute a warranty by the applicant that the cheque or the cashier's order will be honoured on first presentation. Without prejudice to the other rights of the Company in respect thereof, the Company reserves the right to reject any PAL in respect of which the accompanying cheque and/or cashier's order is dishonoured on first presentation, and, in such event, the relevant provisional allotment and all rights and entitlements thereunder will be deemed to have been declined and will be cancelled.

The Company reserves the right to refuse to accept any application for the Rights Shares where it believes that doing so would violate the applicable securities or other laws or regulations of any jurisdiction.

If the Underwriter exercises the rights to terminate the Underwriting Agreement or if the conditions of the Rights Issue are not fulfilled or waived (as applicable), the monies received in respect of acceptances of the Rights Shares will be returned to the Qualifying Shareholders or such other persons to whom the nil-paid Rights Shares shall have been validly transferred, or in case of joint acceptances, to the first-named person, without interest by means of cheques despatched by ordinary post to their respective registered addresses at their own risk on or before Monday, 27th February 2017.

LETTER FROM THE BOARD

Application and payment for excess Rights Shares

Qualifying Shareholders may apply, by way of excess application, for any Rights Shares provisionally allotted but not accepted and for any unsold Rights Shares arising from the aggregation of fractional entitlement.

Any Qualifying Shareholder wishing to apply for any excess Rights Shares must complete and sign the enclosed EAF as indicated thereon and lodge it, together with a separate remittance for the amount payable on application in respect of the excess Rights Shares applied for, with the Registrar at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong by no later than 4:00 p.m. on Friday, 17th February 2017. All remittances must be made in Hong Kong dollars and cheques or cashier's orders must be drawn on a bank account in Hong Kong and made payable to "**Automated Systems Holdings Limited – Excess Application Account**" and crossed "**Account Payee Only**".

The Directors will allocate the excess Rights Shares at their discretion on a pro rata basis in proportion to the number of excess Rights Shares being applied for under each application. No reference will be made to the Rights Shares subscribed through applications by a PAL or the existing number of Shares held by Qualifying Shareholders. No preference will be given to topping up odd lots to whole board lots. No application for any excess Rights Shares should be made with intention to abuse the mechanism.

Shareholders with Shares held by a nominee (or which are held in CCASS) should note that the Board will consider the nominee (including HKSCC Nominees Limited) as one single Shareholder according to the register of members of the Company. Accordingly, such Shareholders should note that the aforesaid arrangement in relation to the allocation of the excess Rights Shares will not be extended to the relevant beneficial owners individually.

The allocation of excess Rights Shares made to the Qualifying Shareholders will be announced on or about Friday, 24th February 2017. If no excess Rights Shares are allocated to the Qualifying Shareholders, the amount tendered on application is expected to be refunded in full on or before Monday, 27th February 2017. If the number of excess Rights Shares allocated to the Qualifying Shareholders is less than that applied for, the surplus application monies are also expected to be refunded to them on or before Monday, 27th February 2017.

All cheques and cashier's orders will be presented for payment immediately following receipt and all interest earned on such monies (if any) will be retained for the benefit of the Company. Completion and return of the EAF will constitute a warranty and representation to the Company that all registration, legal and regulatory requirements of all relevant jurisdictions in connection of the EAF and any acceptance of it, have been, or will be, duly complied with. For the avoidance of doubt, neither HKSCC nor HKSCC Nominees Limited has given, or be subject to, any of the above representation or warranty.

Completion and return of the EAF together with a cheque or cashier's order in payment for excess Rights Shares applied for will constitute a warranty by the applicant that the cheque or the cashier's order will be honoured on first presentation. If any cheque or cashier's order accompanying a completed EAF is dishonoured on first presentation, without prejudice to the other rights of the Company, such EAF is liable to be rejected.

LETTER FROM THE BOARD

The EAF is for use only by the person(s) to whom it is addressed and is not transferable. All documents, including cheques or cashier's orders for the amount due, will be despatched by ordinary post at the risk of the persons entitled thereto to their respective registered addresses as shown in the register of members of the Company on the Record Date.

If the Underwriter exercises the right to terminate the Underwriting Agreement or if the conditions of the Rights Issue are not fulfilled or waived (as applicable), the monies received in respect of the relevant applications for excess Rights Shares will be returned to the applicants, or in case of joint applicants, to the first-named person, without interest by means of cheques despatched by ordinary post to their respective addresses at their own risk on or before Monday, 27th February 2017.

Share certificates and refund cheques for Rights Issue

Subject to the fulfilment of the conditions of the Rights Issue, certificates for all fully-paid Rights Shares are expected to be posted to Shareholders who have accepted and applied for (where appropriate), and paid for the Rights Shares by Monday, 27th February 2017, at their own risk, to their registered addresses.

Applicant(s) will receive one share certificate for all the fully-paid Rights Shares issued to him/her/it/them.

The first day of dealings in the Rights Shares in their fully-paid form is expected to commence on 9:00 a.m. on Tuesday, 28th February 2017.

None of the Shares is listed, or dealt in, or for which listing or permission to deal is being or is proposed to be sought on any other stock exchange other than Stock Exchange.

Subject to the granting of the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement dates of dealings in the Rights Shares in both their nil-paid and fully-paid forms or such other dates as may be determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

Upon the giving of notice of termination pursuant to the Underwriting Agreement, all obligations of the Underwriter under the Underwriting Agreement shall cease and determine and no party shall have any claim against any other parties in respect of any matter or thing arising out of or in connection with the Underwriting Agreement, save for any fees and expenses (other than the underwriting commission) and indemnities as payable by the Company to the Underwriter under the Underwriting Agreement. 2. INDEBTEDNESS STATEMENT

Bank borrowings

As at 31st December 2016, being the latest practicable date for the purpose of this indebtedness statement, the Group had bank borrowings of HK\$10,000,000 (unguaranteed) which were secured by the Group's leasehold land and building. The carrying amount of the leasehold land and building as at 31st December 2016, which were pledged to secure to Group's bank borrowings amounted to approximately HK\$107,250,000.

Contingent liabilities

As at 31st December 2016, performance bonds of approximately HK\$62,628,000 have been issued by the banks on behalf of the Group to customers as security of contracts. As at 31st December 2016, the Group had restricted bank deposit of approximately HK\$487,000 and leasehold land and buildings with carrying amount of approximately HK\$107,250,000 held as security for performance bonds.

Disclaimer

Save as aforesaid in this section of the prospectus and apart from intra-group liabilities and normal trade payables in the ordinary course of business, at the close of business on 31st December 2016, the Group did not have any debt securities issued and outstanding, or authorised or otherwise created but unissued, loans or any term loans (secured, unsecured, guaranteed or otherwise), any other borrowings or indebtedness in the nature of borrowing including bank overdrafts and any liabilities under acceptances (other than normal trade bills) or other similar indebtedness, acceptance credits, debentures, mortgages, charges, finance lease or hire purchase commitments, guarantees or other material contingent liabilities.

3. WORKING CAPITAL

The Directors, after due and careful enquiry, are of the opinion that, after taking into account the estimated net proceeds from the Rights Issue, its presently available financial resources, including funds internally generated from operation and the available banking facilities, the Group will have sufficient working capital for its operation for at least the next twelve months from the date of this prospectus.

4. MATERIAL ADVERSE CHANGE

The Directors confirm that there was no material adverse change in the financial or trading position or outlook of the Group since 31st December 2015, being the date to which the latest published audited consolidated financial statements of the Group were made up, up to and including the Latest Practicable Date.

5. FINANCIAL AND TRADING PROSPECT OF THE GROUP

At present, the Group is principally focusing on five key solutions and services pillars (i.e. infrastructure, security, data intelligence, mobile and cloud) and engaged in the delivery of comprehensive one-stop information technology (“IT”) services with core business in systems integration, maintenance support, managed services and applications development to clients across all industries mainly in Hong Kong and other locations including Macau, mainland China, Thailand, Taiwan, Singapore and Malaysia.

The Group, continuously focusing on five key solutions and services pillars in 2016, has been consistent in its development strategy and has made remarkable progress. In respect of the managed service business, the result was particularly impressive. As there is an increasing demand for enhancing operational efficiency from the public and private sectors in Hong Kong and the Greater China region, the Group has successfully introduced a “customer-oriented” concept to various locally-based enterprises through providing long-term IT managed services and those enterprises may outsource their IT support and management operations from their internal IT departments. This has considerably increased the business flexibility of those enterprises and, with the performance pledge made by the Group, further increased their support service standard and coverage.

In view of the latest market trend, a new generation of third platform technologies is emerging and fast-growing and the traditional IT enterprise and application architecture can no longer meet the digital needs of today's enterprises. In the pursuit of digital transformation, more and more enterprises are looking for third platform technology-enabled mission-critical business applications to help them reduce costs, streamline operational processes and improve business agility. To this end, the Group decided to make an important move of expanding the Group's business to capture the shift in demand to third platform technologies by the Acquisition.

Looking ahead, the Group will strenuously consolidate its leading position in the IT industry and leverage its competitiveness through the development of innovative technologies and grasping new opportunities for the development of the Group in the future.
